VISITING SCHOLAR PROGRAM
The Phi Beta Kappa Society
2020–2021
The Visiting Scholar Program offers undergraduates the opportunity to spend time with some of America’s most distinguished scholars. The purpose of the program is to contribute to the intellectual life of the institution by making possible an exchange of ideas between the Visiting Scholar and the resident faculty and students.

During the 2020–2021 academic year, the Visiting Scholars will travel to over 100 colleges and universities that have chapters of Phi Beta Kappa, spending two days at each one and taking full part in the academic life of the institution.

During the two-day visit, the Scholar will give a general lecture that is free and open to the public, take part in class and seminar discussions, and meet informally with students and faculty.

The Visiting Scholars are invited to make visits in response to requests from the Phi Beta Kappa chapters. All arrangements are handled by the Washington office, and the Scholars’ itineraries will be worked out in accordance with requests received by April 20, 2020.

A service fee of $500, to be paid by the sponsoring chapter, the interested departments, the sheltering institution, or by all jointly, will be billed against the chapter at the beginning of the semester in which the visit takes place. The sponsoring groups will also be responsible for the costs of housing, meals, and local transportation while the Scholar is their guest.

REQUEST A VISITING SCHOLAR
Yolanda Martínez-San Miguel

Yolanda Martínez-San Miguel is the Marta S. Weeks Chair in Latin American Studies at the University of Miami.

More Information
